106

The tenderers are also informed that tenders of private parties will be considered only after giving due consideration to requirements of the Government departments.

No reduction of rate for whatever reason will be allowed when once the quotation is accepted. A deposit will be called for after acceptance of tender and payment in full will have to be made by the successful tenderer before the lorries are reomved from the places they are delivered. The lorries will have to be taken delivery of within a fortnight from the date of acceptance of the tender, the purchaser making his own arrangements to remove them.

In the event of failure on the part of the successful tenderer to comply with the above conditions, the lorries will be resold at the risk of the tenderer, who will have no claim to profits that might accrue in the resale, but will have to reimburse the Department all losses incurred in the resale.

The tenders should be superscribed as "Tender for the purchase of scrap lorries to be opened on 15th May 1951."

57

Notification dated 18th April 1961.

No. G.N. 5. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore 1, up to 3 P.M., on 18th May 1951, for the supply of the following, the terms of delivery being *f.o.r.* Talaguppa.—

C. I. Foot valves of best tested quality and leak proof design, suitable for attaching to 6" bore suction pipes. The Foot Valves should be complete with Flanges, Guards, Flaps, etc., and conforming to B.S.S. 'A' Class	8 Nos.

The details of the pumping sets for which the above fittings are required on the suction side are given below for information.

'Ingorsoil Rand' 5 H.P. Pumping Set
530 gallons/minute delivery head 30 ft.

The tenderers should quote their best billing prices which should be firm for a period of one month from the due date of the tender. The rate should be quoted both in figures and words. The earliest period within which delivery would be effected may be specified in the tender.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the department for local purchases.

The tenders should be superscribed as "Tender for the supply Foot Valves" to be opened on 18th May 1951.

70

Notification dated 20th April 1951.

No. G.N. 6. Sealed tenders for the purchase of about seven tons of copper scrap available at the Central Stores, Electrical Department, Bangalore, will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 12 NOON on Monday the 14th May 1951.

The material will be available for inspection at the abovementioned stores on all working days except Sundays and other authorised holidays. The tenderers should quote their rate Ex. our stores at Bangalore, both in figures as well as in words.

The quantity of the material noted above is not guaranteed and the Chief Electrical Engineer does not bind himself to accept the highest or any other tender, but reserves to himself the right to accept or reject any tender at his discretion.

The tenderers are also informed that tenders of private parties will be considered only after giving due consideration to the requirements of the Government Departments.

No reduction of rate for whatever reason will be allowed when once the quotation is accepted. A deposit will be called for after acceptance of tender and payment in full will have to be made by the successful tenderer before the material is removed from the Central Stores, Electrical Department, Bangalore. The material will have to be taken delivery of within a fortnight from the date of acceptance of the tender, the purchaser making his own arrangements to remove the same.

In the event of failure on the part of the successful tenderer to comply with the above conditions, the material will be re-sold at the risk of the tenderer, who will have no claim to profits that might accrue in the resale, but will have to reimburse the Department all losses incurred in the resale.

Tenders should be superscribed as "Tender for the purchase of copper scrap to be opened on 14th May 1951."

OFFICE OF THE GENERAL MANAGER, GOVERNMENT SANDALWOOD OIL FACTORY, MYSORE.

Notification dated 20th April 1951.

Tender notification for felling, collecting, and transportation of fuel from the following two coupes in Chamarajanagar Range, during the year 1951-52, (from 1st April 1951 to 31st March 1952).

	Range	Name of Coupe	Area Acres	Estimated yield in tons.
1	Chamarajanagar	Huchanakembare F.S. 51-52	126	350 tons.
2	Do	Punjur F.S. 1951-52.	123	300 ,,

1. Sealed tenders are invited for felling trees, collecting wood and transporting the same from the above coupes to the Government Sandalwood Oil Factory, Mysore Railway, siding at Mysore South.

2. Tenders will be received in the Office of the General Manager, Government Sandalwood Oil Factory, Mysore, up to 4·00 P.M. on 5th May 1951.

3. Tender should be furnished for each one of the coupes separately and also for all the (two) coupes collectively.

4. Each tender should be for supply to the Factory Railway siding.

5. Each tender should be accompanied by an earnest money of Rs. 100 in cash.

6. Fuel actually receipted at the Factory Weigh-bridge will be paid for, after one week from the date of receipt of the bill from the contractor.

7. The final acceptance or rejection of any tender rests with the Director of Sandalwood Oil Factories in Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason, whatsoever, for the rejection of any tender.

8. The earnest money deposited by the tenderers, whose tenders are not accepted, will be refunded to the parties on application.

9. Rates once tendered will not be enhanced on any account.

10. The supply of fuel should be commenced from 15th May 1951 and should be not less than 75 tons per month.

11. Within eight days of the acceptance of the tender, the successful tenderer will be notified, who shall execute the usual stamped mutchalika embodying the above terms as well as those prescribed by the Forest Department, in this connection furnishing a security deposit of Rs. 500 in cash for the due fulfilment of contract.
